

Leaves For Teaching Job In Honduras

HELEN SHERIDAN

Helen Sheridan, daughter of Mrs. Lucille Sheridan of 19838 Center, Mokena, recently left for a teaching position in British Honduras. Miss Sheridan is a member of PAVLA - Papal Volunteers to South America.

After a week's orientation in Belize City, the country's capital, the 27 volunteers to that country received their assignments. Miss Sheridan and four other volunteers were assigned to Claver college (comparable to a high school in the U.S.) in Punta Gorda. That college is completely staffed by volunteer

teachers as are most secondary schools in that country.

Punta Gorda is located in the southern-most section of British Honduras. Although it is only 135 miles from the capital, a boat trip lasting 23 hours was required, to reach it. Roads in southern British Honduras are for the most part non-existent. Punta Gorda, a picturesque little town of 2,000, is located on the Caribbean sea. The population there is chiefly Carib and Creole.

Miss Sheridan a graduate of Lincoln-Way in New Lenox and the College of Saint Francis in Joliet, taught for two years in the Orland Park elementary school before joining the Papal Volunteers.

Big Game Saturday

LWHS Homecoming Is Now Underway

Oct. 5 - 10, is Lincoln-Way high school Homecoming week. Monday was honor football players day and the day of the preliminary voting for the Queen and her Court.

Tuesday was the day Mr. Touchdown was announced in a special assembly and he in turn announced the returns of Monday's preliminary voting.

Wednesday was dress up day.

Thursday is sport day, final voting for Homecoming Queen and her Court, and then the bonfire pep rally at night. Friday is the coronation assembly at which

the Homecoming Queen and her Court are announced and Friday afternoon will be a big snake dance leading out to the football field for a pep assembly.

The week will be climaxed by Saturday with the football game in the afternoon and the Homecoming Dance at night from 8 to 11 p.m.

To the alumni of Lincoln-Way, the Student Council would like to extend a personal invitation to the Homecoming Dance. This year has many extra features at the dance especially for the alumni.

Some of the new features

of this year's dance are: an eight - piece band with the big band sound, a special alumni attendance book, honorary tags for the alumni to wear; and a prize for the alumni class having the most members present.

Tickets will be on sale at the door especially for the alumni.

Trailways Girl Scout Session At Manhattan

Trailways Girl Scout Council, which encompasses New Lenox, Frankfort and Mokena as Trikenia neighborhood, had its bi - annual meeting in Wilmington, Sept. 23.

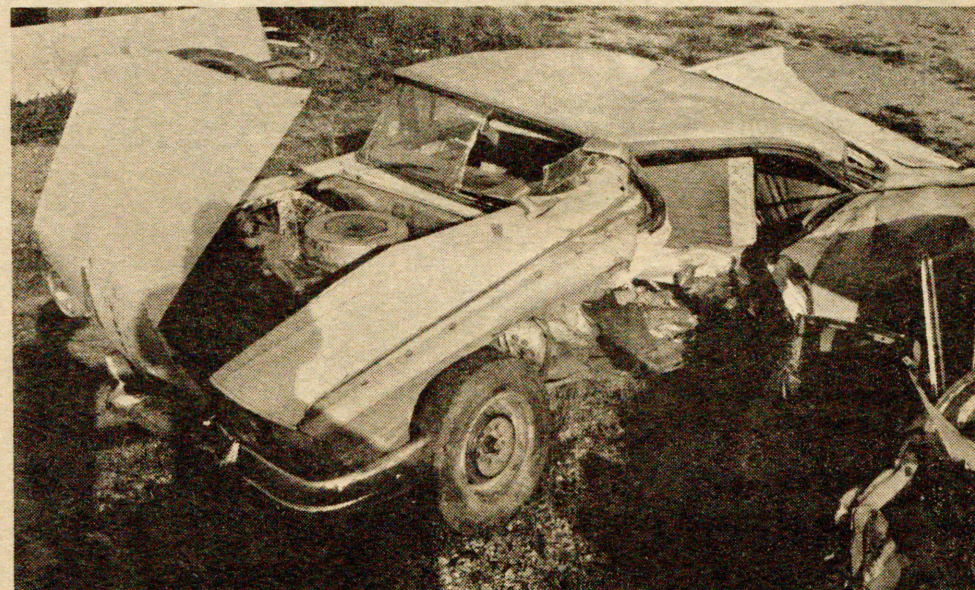

Over 150 members were led with songs by Cadette Troop 335. Mokena Cadette Troop 97 made floral centerpieces for the tables.

The treasurer's report consisted of presenting an operating budget over \$50,000 which was approved.

When contributions given to the Will County Community Chest drive are distributed, the proportionate

share given to Trailways Council helps cover this budget. It was also announced that a \$23,000 permanent camp dormitory is being built at Pokanoca, near Ottawa, the money having been raised thru the sale of Girl Scout cookies last year.

Delegates from Trikenia were Mrs. Ray Nelson, Mrs. Edward Townsend, Mrs. Ethel Tatrow, and Mrs. Edward Chladek, all of New Lenox; Mrs. Robert Markowski and Mrs. Mary Harris, both of Arbury Hills; Mrs. Robert Best, Mrs. Robert Lang and Miss Dianne Lang, all of Mokena.

DEMOLISHED -- This car was completely demolished in an accident at 7:20 p.m. Thursday night, Oct. 1 on Rt. 45 south of the WLS tower. The driver was Gerald Haehnlein, 21, 193rd and Wolf Rd., Mokena, on leave from the U.S. Marine Corps. Haehnlein is receiving intensive care at Silver Cross Hospital, and listed in critical condition with leg, pelvis and head injuries. District 5 State Trooper Collins, on the scene minutes after the crash, reported that Haehnlein's car traveling south on Rt. 45, pulled out to pass other cars and went off on the east shoulder of the road. Continuing for about 100 yards on the shoulder the car then hit a culvert abutment and was flipped end over end. Although police report it was called immediately, some sort of mix-up delayed the arrival of the ambulance for 45 minutes.

Lincoln-Way Breaks 10 Yr. Jinx, Whips Sandburg 14-0

BY NORM BEEBE

Bob Allen, new head coach for the Knights, led his team to an upsetting 14-0 victory over the Eagles of Carl Sandburg for the first time in the history of the school.

The Knights started to show their supremacy early

in the game when Marc Shonwise, halfback for the Knights, broke loose for a long 69 yard run which put the Knights two yards from pay dirt. The next play carried Howie Grimes, fullback, around right end for the first six points of the game. A unique conversion attempt with Tom Hamilton faking a kick, then tossing a short pass to unguarded Marc Shonwise, completely baffled the Eagle's defense and added an extra point to the score. As the first half ended the Knights were leading the Eagles 7-0.

Halftime entertainment

was provided by the Lincoln-Way band, and the Rhythm Knights, a precision marching team.

Sandburg started the third quarter by a fumble which was quickly snagged by Jeff Urban. After a few plays the Knights in turn fumbled to Sandburg. A ferocious Lincoln-Way defense forced Sandburg into a fourth down situation. The Knights gained possession on their own 35 yard line and started a march toward their second and final touch down by a short pass to Jim Markl from Tom Hamilton.

Lincoln-Way's outstand-

ing defensive team was a great contributing factor to the final score. Rick Brook's defensive guard on in on 15 tackles, Ted Wilborn, Howie Grimes and Wendy Bormet were credited with eight tackles apiece.

Fumbles in this game were not uncommon; on five occasions the ball changed hands within two plays.

This tremendous victory snapped their two game losing streak and added a loss to Sandburg's to make them 0 and 2 in conference play. It also sparked the morale for next Saturday's Homecoming game against the Homewood - Flossmoor Vikings.

Vernon, \$10; Joseph Conry, Joliet, \$10; Brian Williams, Mokena, \$13; Richard Bohlman, Matteson, \$17; John Benson, Elburn,

\$14; Dorcas Rude, Brownston, \$10; William Giscione, New Lenox, \$15; Zanelous Hensley, Chicago, \$10; Michael Cimino, Joliet, \$10 and Clyde Franks, Cicero, \$15. Improper passing: Frank Peo, Chicago Heights, \$10. Disobeyed stop sign: Wayne Morrison, Charles City, Iowa, \$10; Daniel Johns, Chicago, \$10.

ident of the National Merit Scholarship Corporation.

A. H. Chapman, superintendent announced that the commended students are: Tom Hamilton, Georgeann Janner, Carol Jones, and Linda Wilkosz.

John M. Stalnaker, president of the National Merit Scholarship Corporation, said: "Letters of commendation are being awarded to 38,000 students throughout the country in recognition of their outstanding performance on the qualifying test. We wish to call attention in this way to their high academic achievement."

"Although they did not reach the status of semifinalists in the current Merit Program, they are very capable students. HERE'S HOW 1 MAN DOES THE WORK OF 3 with a Brady Model 144 4-Row Chopper

- Pull your tandem disc behind the Brady 4-Row Chopper and do the entire job at one time.

- One man can chop and disc up to 100 acres per day.

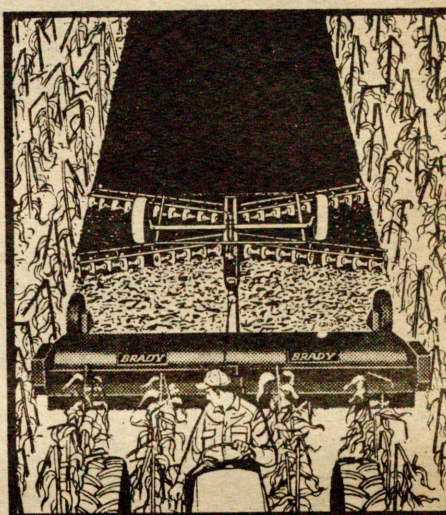

- You do a better job of plowing. Stalks will be finely pulverized and not windrowed or bunched.

- You can pull the 4-Row Chopper and disc with your 4-5 plow tractor.

- Excellent for clipping idle acres and pastures.

- One pass thru the field and you're ready to plow.

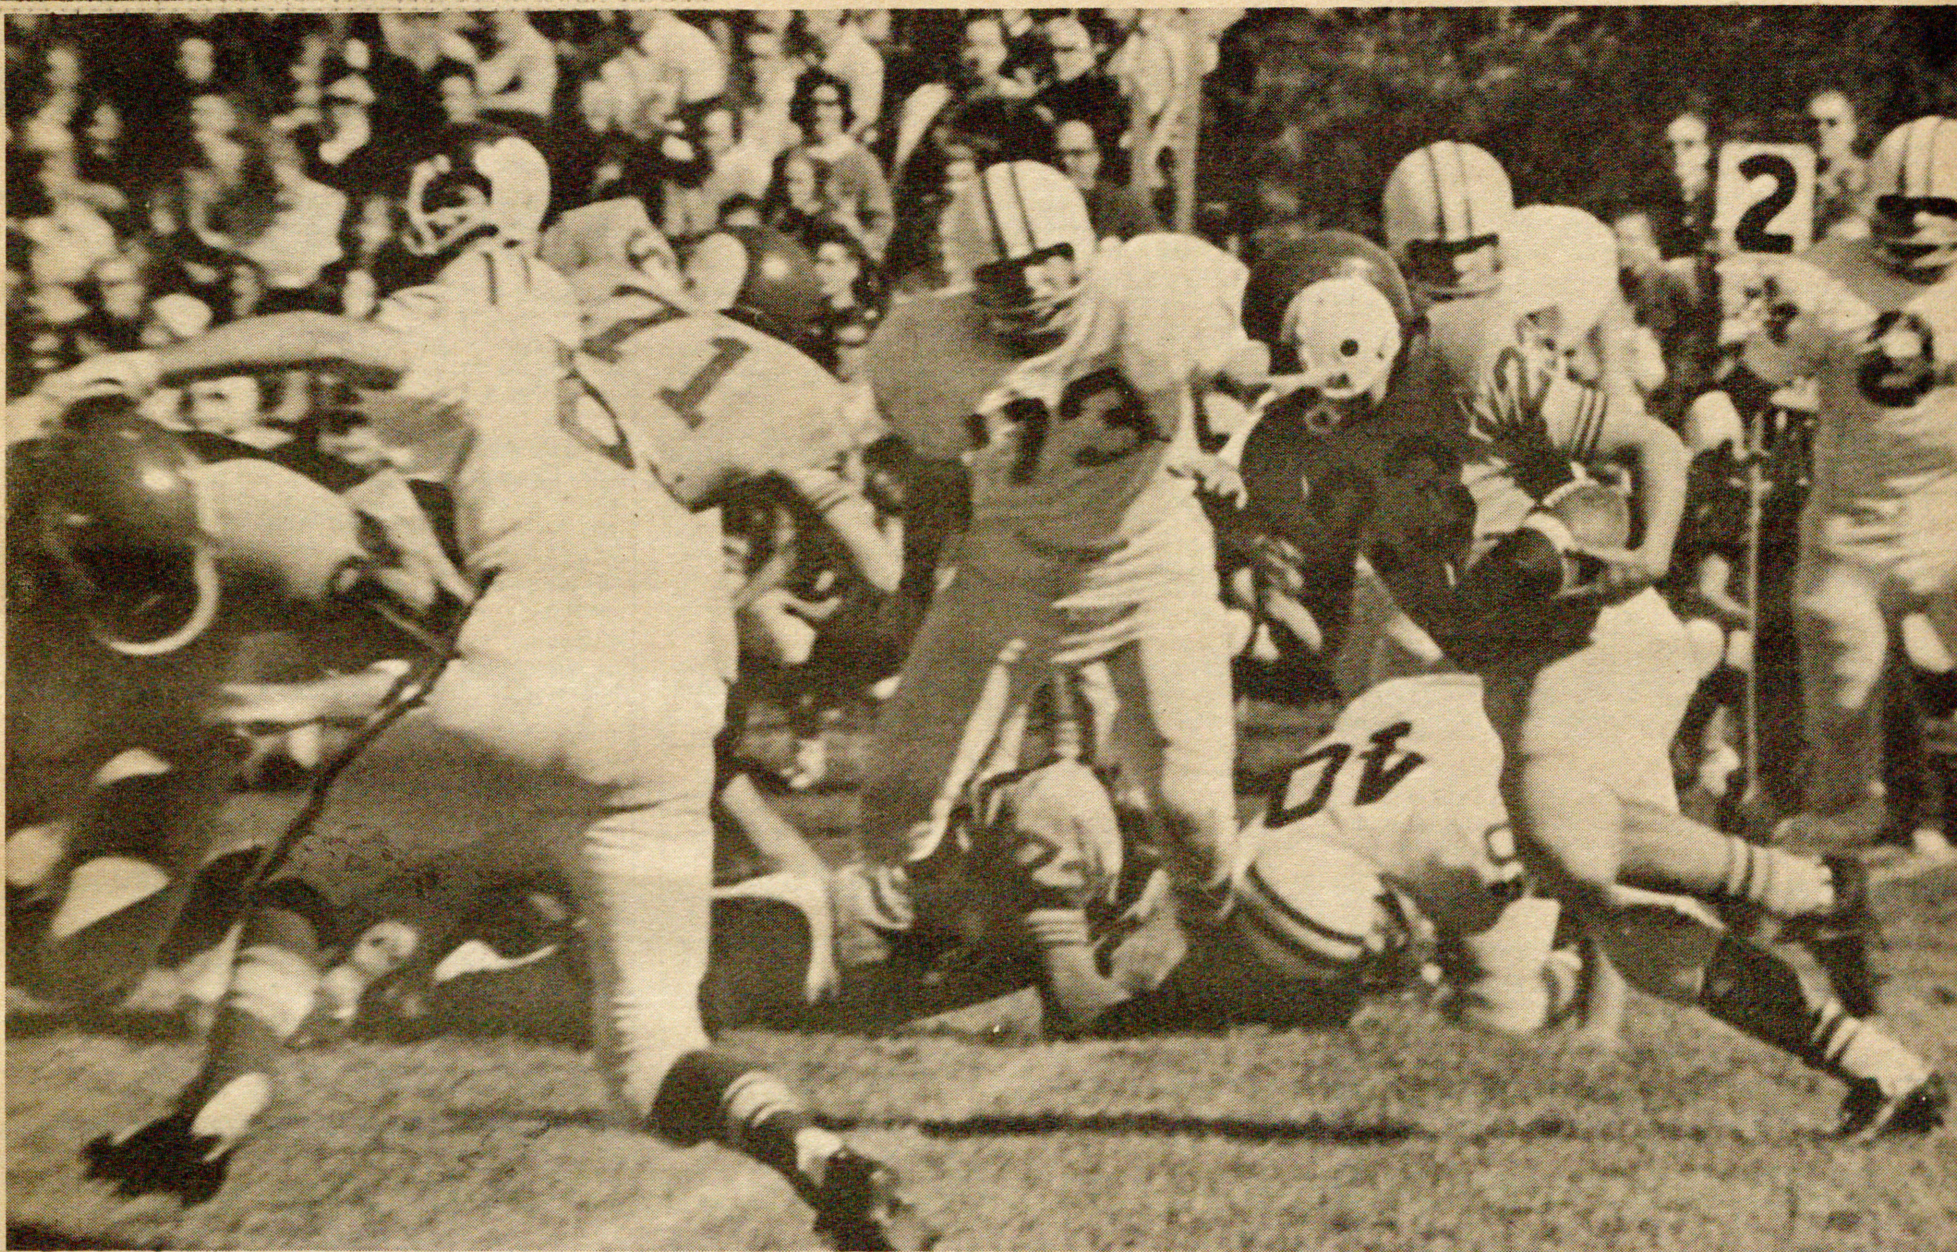

- Why tie up 2 men and 2 tractors and take twice as long when one man and one tractor will do the entire job.

30 YEARS WITH THE FSLIC

THE F.S.L.I.C. STORY — "SILENT PARTNER" IN A \$110 BILLION BUSINESS

The Federal Savings and Loan Insurance Corporation was launched 30 years ago to rebuild public confidence in financial institutions. This federal government agency has become a remarkable example of a successful partnership between government and private business.

The agency's primary objection was admittedly short-term; to help "put out the fire." It's justification for existence was to provide a government guarantee of savings accounts. This guarantee of accounts would bring substantial funds back into the savings and loan associations, thus stimulating home building and creating badly needed jobs. There was little time to think about the agency's long-term effects that are well known now.

Savings and loan leaders credit the insurance corpo-

ration with playing a key role in the business's exceptional growth. The savings and loan industry today is a \$110 billion business, and the Federal Savings and Loan Insurance Corporation has played a key role in this exceptional growth.

Financial Federal Savings is proud of the fact it became one of the first savings and loan associations to become a member of the Federal Savings and Loan Insurance Corporation, approximately 30 years ago. Our federal charter, combined with 1. membership in the Federal Savings and Loan Insurance Corporation; 2. membership in the Federal Home Loan Bank; 3. plus 40 years of experience, has made Financial Federal Savings one of the strongest and soundest financial institutions in the Middle West.

The Summit Hill PTG will have their meeting at the school tonight, Thursday, Oct. 8, at 8 p.m. In addition to the regular business meeting there will be a film on mental health, which should be interesting to all. The mothers of the seventh graders will be the hostesses for this meeting and will provide and serve the refreshments to the group.

The annual Fun Fair will be held at the school Saturday, Oct. 17. There has been much preparation by a large number of people in order that we can all enjoy a good day's family outing. Save this day on your activity calendar as a must for the family.

The Arbury Hills Boys Baseball League will hold their monthly meeting at the school Tuesday, Oct. 13, at 8 p.m. Even though the baseball season is long past, the organization continues to have their regular monthly meetings in order that the work can continue on their fund raising projects.

There is always a need for more interested people to attend these meetings. At the present time the organization is preparing for their annual dance, which will be held in February, and Jordan Marzano is in charge of trying to collect a sufficient number of books of S & H trading stamps from the people of Arbury Hills to obtain uniforms for the boys for the 1965 baseball. In order to have enough books, it would be necessary for each family to contribute one book of

stamps. At this writing there has been a complete lack of response to this suggestion. Come on, housewife, surely you can spare one book for a good cause!

The Cadette Girl Scout Troop is completing their work on decorating ticket cans for the Fun Fair booths.

Seventeen of the Boy Scouts went on the week end campout over the last week end in September. A dismal weather dampened the area but not the enthusiasm of the boys.

The Boy Scouts also held their annual round-up at the Van Horne woods on Sept. 30. A poor turnout of families showed up, but the proceedings continued. The green bar and other badges and official certificates were passed out.

The citizens committee to have the paving of the streets completed in Arbury Hills, have been working diligently and the state's attorney's office are preparing the papers to file suit in order that the law would compel the bonding company to have the paving done.

The Federal Housing Authority, and the two mortgaging concerns, Talman Federal Savings & Loan, and Mutual National Bank are also doing whatever they can to assist the local people in their efforts.

Homer School Club

The Homer School Club meeting will be held at the School Oct. 15 at 8 p.m. Guest speaker will be Elmer Rowley, dean of Joliet Junior College.

Burros Lose To Tinley

The Mokena Burros played their first home game at Mokena Park Saturday afternoon, and were defeated by the Tinley Park Bulldogs 28-0 in a very even game which did not reflect the lopsided score.

It was the old story for Mokena, penalties and fumbles. Every time the Burros started a march with the ball, they lost the ball on a fumble or lost valuable yardage due to penalties.

A well coached, thoroughly experienced and organized Bulldog team had trouble penetrating the Burro line, but were able to make first down yardage when it counted. Frank Adamczyk and his hard running were the big difference in the two teams. Kirby Bullard, Butch Bulow and Pat Nicholson were the also offensive leaders for the Bulldogs. On defense Larry Gunther, Dale Zaremba, Don Taylor and Adamczyk led Tinley Park.

For Mokena, their offense appeared to come to life, and Tobey Krueger, playing quarterback for the first time, acquitted himself with fine passing and running.

John Shewski looked much improved. Eddie Scalise, playing his first game, looked good at halfback, and before too long, he'll be running up some scores.

Next Saturday, Mokena travels to Calumet Park to play the Cal Park Rams. The players will meet at the park at 11 a.m. Saturday.

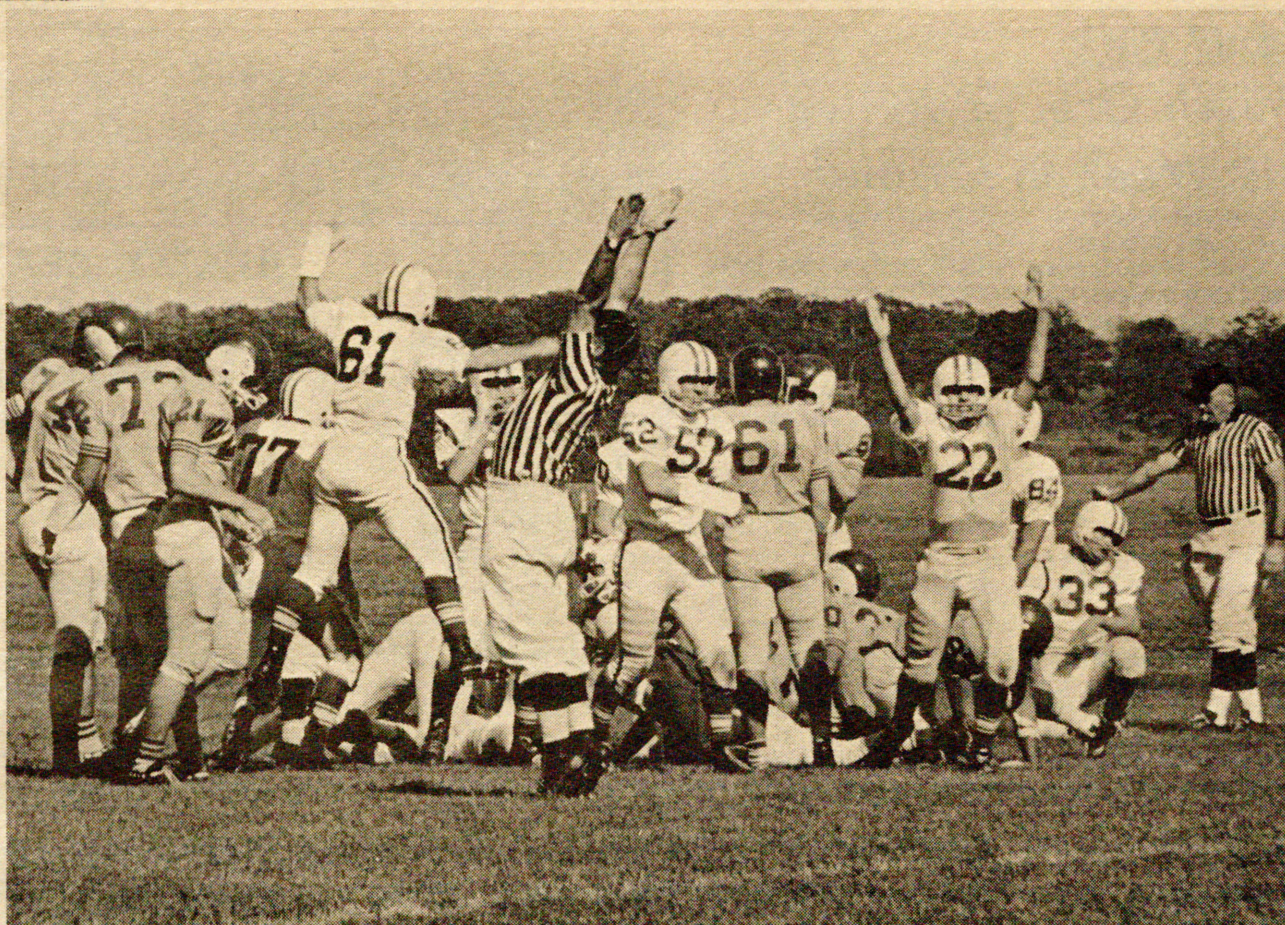

Remainder of schedules are: Sunday, Oct. 18, Kankakee at Byrd Park, Kankakee; Sunday, Oct. 25, Downers Grove Moose at Mokena; Sunday, Nov. 1, Downers Grove at Downers Grove. Two more tentative dates to be announced.

Stagg Loses To Wheaton

Overwhelmed and out-weighted, the Chargers of Stagg High fell to Wheaton 57-0 last Saturday morning. The most hopeful sign in the morning contest was the steady improvement shown by the young Chargers.

In the first quarter, Wheaton struck for 28 points, scoring nearly every time they got the ball. In the second, they tallied 13. In the third quarter, the Chargers' stiffened defense held them to 7 points, with 9 more coming in the final period.

Thursday the Chargers took on the young Westmen of Joliet West. Their next contest is against Marion Catholic next Tuesday. The game at Marion is scheduled for 4:30 p.m.

Sophs Lead Sandburg Harriers

Sophomores John Biddle and Ed Zeman have moved up to first and second men on the Eagles' cross-country team last week. The two sophomores were a major help in keeping the harriers, at the 500 mark by splitting two triangular meets last week.

Freshman Bill Reeves was expected to move up to the varsity during the week to fill in the gap left by juniors Fred VonVogt, Van Broman and Doran Harding. Reeves is undefeated on the frosh-soph in the last five teams faced.

In the first of the two triangular meets last week the Eagles won with a score of 24 to Reavis's 45 and Bogan's 71. Biddle was first for Sandburg with second place followed by Zeman third, Harding fourth, Steve Raydon seventh, Chuck Crowhurst eighth and Tim Sedgwick tenth.

Saturday the Eagles fell to Blue Island by six points.

Sandburg overall ran ahead of Blue Island except for the Eagle's man who fin-

ished 19th. Runners placing for the Eagles were Biddle seventh, Zeman eighth, Crowhurst ninth and Sedgwick 13th. Evergreen took the top three places. Ralph Schultz of Evergreen won with a 9:52, the best time on the 1.97 course this year.

With Biddle and Zeman running on varsity the frosh-soph have had a hard time during the last two weeks. They lost to Reavis 21 to 37, but were able to beat Bogan's 78. After Reeves first came Jim Sheehan, sixth and Dave Phillips, eighth.

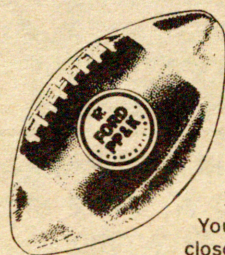

Saturday's triangular saw Blue Island winning with 25 followed by Evergreen's 42 and Sandburg's 64. Reeves who took first was the only Sandburg runner to place.

Meets during this week against Homewood-Flossmoor and Oak Lawn were expected to bring the varsity two wins to push their record to 5-3. Next week the thinclads will compete in four meets including the Tinley Park Invitational Saturday, where they have taken first and second the last two years.

Girl Scouts Enjoy Spree Of Camping

Orland Park Girl Scouting activities are in full swing, taking advantage of the beautiful fall weather.

Junior Troop 180, with Mrs. S. Johnson and Mrs. R. Averill as leaders, will spend two nights on a camping trip to Camp Sullivan Oct. 16, 17 and 18. Mrs. J. Hoffrica and Mrs. E. Bengston will help as patrol mothers. Joy Anderson, a senior scout will lead

and teach new camp songs.

Junior Troop 67 will go to Camp Thorn Creek for an overnight, Oct. 16. Mrs. Daniel Shofy and Mrs. David Ramage are the leaders and Mrs. Harry Richards will be the licensed camper who will guide them. All girls have been practicing knots, building fires, learning the uses of knives and planning menus.

Brownie Troop 296 with Mrs. Holm and Mrs. Barkow

as leaders, are planning a wiener roast in the leaders back yard at Silver Lake Dells.

Junior Troop 451 members are busy working on

badges and planning a cook-out in Laguna woods at the home of the troop committee chairman, Mrs. Kapp. Mrs. C. Rullman and Mrs. McClay are the leaders who

meet with these girls every Tuesday at the Methodist church.

The Brownie Troop at St. Michaels church is inactive, as a co-leader is needed. If

anyone is interested in this scouting program call Mrs. Johnson, Fl. 9-7865. The Cadette scouts, girls from 12 thru 14, are also in need of a co-leader.

Goldwater Gets Warm Welcome From Joliet

Will County gave a rousing welcome to Republican Presidential Candidate, Senator Barry Goldwater Oct. 3, when an estimated 10,000 persons turned out to hear him at the Joliet Courthouse square.

Senator Goldwater and his wife, Peggy, arrived in Joliet on their special campaign train from LaSalle, where an earlier talk was made.

Goldwater was introduced in Joliet by Charles H. Percy, Republican candidate for Governor, who praised him as a man who will take integrity into the White House.

Goldwater's two largest audiences of the day were at Joliet and at a later appearance at Wheaton.

In his Joliet talk, Goldwater stressed freedom and individual rights of all citizens, which, he said, can be chewed away, bit by bit.

Sen. Goldwater promised to provide urgently needed leadership, dedicated to the principle that moral lines bind both the high and low in all walks of life.

He said, if elected, he will name Supreme Court Judges, "dedicated to upholding our traditional concept of constitutional government and preserving our nation's foundation, under God."

Included as members of the greeting committee for Senator and Mrs. Goldwater were the Will County Republican candidates. They included Michael Orenic, candidate for Circuit Judge; Robert Higgins, candidate for Associate Circuit Judge; George O'Brien, candidate for States Attorney; Louis Bottino, candidate for Circuit Clerk; Harold Smith, candidate for County Auditor; Robert Spreitzer, candidate for Recorder of Deeds, and Willard Blood, candidate for Coroner.

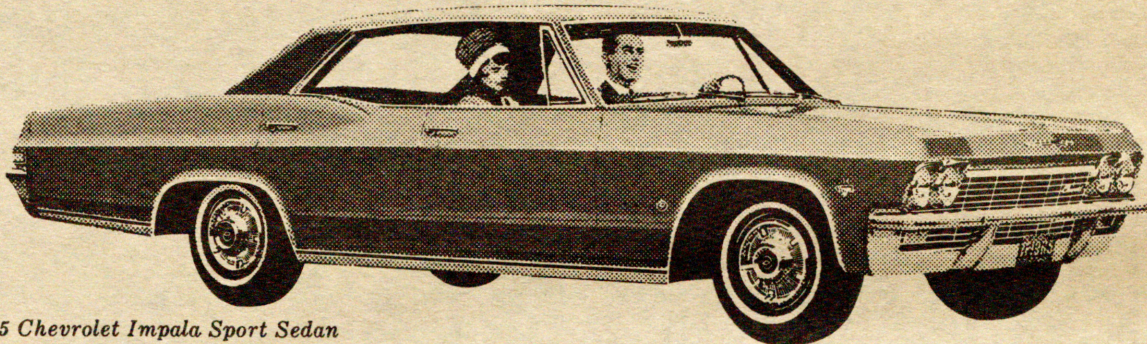

On TV.

Claus Renken, 15032 Highland, Orland Park, will be featured on WTTW/Channel 11's Challenge series, produced at Argonne National Laboratory and telecast Fridays at 8 p.m.

Renken, a member of the Metallurgy Division at Argonne, will be a guest on the Oct. 16 program, demonstrating various aspects of non-destructive testing as they are employed in the nuclear laboratory.

Challenge is being distributed on the National Educational Television network

New Corvair Corsa Sport Coupe

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models.

And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

How to save money on Long Distance calls

Long Distance offers a choice of bargain prices today.

Starting at 6 p.m.

...Long Distance rates are reduced on all calls - "station" and "person" - from 6 p.m. to 4:30 a.m. every day. These same rates apply all day on Sundays, Thanksgiving, Christmas and New Year's.

Further Savings at 9 p.m.

...Then, every day, rates on "station" calls to many points drop even lower. But, "person" calls cost the same after 9 p.m. as they do after 6 p.m.

Calls Outside Illinois

- After 9 p.m., a "station" call to any point in the U.S. (except Alaska and Hawaii) costs only \$1 or less, plus tax, for the first three minutes. Calls under 220 miles already cost less than \$1 after 6 p.m., so there's no further saving after 9 p.m.

Calls Within Illinois

- After 9 p.m., a "station" call within Illinois costs 50¢ or less, plus tax, for the first three minutes. Here, there's no further saving on calls under 54 miles. They already cost less than 50¢ after 6 p.m. These rates do not apply to collect, credit card calls or calls charged to a third number.

For any Long Distance information... check your directory, or ask your Long Distance Operator.
